OFFICE OF PETITIONS

PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

Director of the United States Patent and Trademark Office
US Patent and Trademark Office
Washington, D.C. 20231

Sir:

A timely response to the Final Office Action dated December 12, 2000 in the above identified application was filed on February 5, 2001. It was believed that the above amendment would put the application in condition for allowance.

Unfortunately, the Examiner refused entry thereof and did not provide an Advisory Action to this effect until July 31, 2001, after the application went abandoned. Meanwhile, Applicant entered National phase applications in several countries from a related PCT application, and believed that a U.S. National stage application was amongst the filing therefrom.

Applicant now became aware that no such U.S. National Stage application was filed. Thus, Applicant is filing the attached Continued Prosecution Application, along with this Petition to Revive.

As is evident from the facts above, the above-identified application became abandoned unintentionally.

Please charge the fee of \$640 for this Petition to Revive to Deposit account 50-1407. A duplicate of this Petition is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Sol Sheinbein', written in a cursive style.
